ARE YOU A PARENT, GRANDPARENT OR TEACHER?

Do you work with children? Are you looking for answers beyond the mainstream systems as to why so many kids are being diagnosed with learning, behavioral and other disabilities?

Has your child or a child you know been diagnosed with **ADD**, **ADHD**, **Aspergers** or **Autism**?

THEN THIS WORKSHOP IS FOR YOU!

Children today are more psychic, spiritually aware, and gifted than ever before. They are born knowing who they are as a multidimensional human being. They learn differently than previous generations and they are challenging the traditional school systems and conventional parenting models. These children are known as **INDIGO**, **CRYSTAL**, **STAR**, and **RAINBOW** Children and have been coming to our planet in increasing numbers over the last few decades.

This is an interactive, hands-on workshop that will provide you with plenty of tools and information about how to relate and care for the **New Earth Children** in order to help them thrive. We will also include a guided meditation, spiritual techniques, and food demonstrations. We will help you to understand the specific traits of these children.
